INDEPENDENT AUDITOR'S REPORT

To the Disability Board of the
NFL Player Disability & Survivor Benefit Plan

Opinion

We have audited the financial statements of the NFL Player Disability & Survivor Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statement of net assets available for benefits (modified cash basis) as of March 31, 2022, the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan (modified cash basis) as of March 31, 2022, and the changes in its net assets available for benefits (modified cash basis) for the year then ended, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matter

The financial statements of the Plan for the year ended March 31, 2021 were audited by another auditor who expressed an unmodified opinion on those financial statements on November 1, 2021.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of administrative expenses for the year ended March 31, 2022, the schedule of assets held for investment purposes as of March 31, 2022, and the schedule of reportable transactions for the year ended March 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NFL PLAYER DISABILITY & SURVIVOR BENEFIT PLAN

Notes to the Financial Statements
For the Years Ended March 31, 2022 and 2021

NOTE 1 DESCRIPTION OF THE PLAN

The following brief description of the NFL Player Disability & Survivor Benefit Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information. Capitalized terms have the meaning provided for in the Plan document.

General

The 1993 Collective Bargaining Agreement (“CBA”) between the National Football League Players Association (“NFLPA”) and the National Football League Management Council (“NFLMC”) provided for the establishment of the Plan. For certain eligible Players, the Plan currently provides disability benefits (described below), and death benefits to their eligible beneficiaries.

The Plan, formerly named the “NFL Player Supplemental Disability Plan,” initially provided only supplemental total and permanent disability benefits to Players who qualified for those benefits under the Bert Bell/Pete Rozelle NFL Player Retirement Plan (“Pension Plan”). The 2011 CBA continued and improved supplemental total and permanent disability benefits under the Plan, created a new benefit for Players suffering from neurocognitive impairments, and provided that the payment for certain additional disability benefits would be transitioned from the Pension Plan to the Plan.

Effective September 1, 2011, the Plan was amended to include the neurocognitive benefit provided for under the 2011 CBA and was renamed the “NFL Player Supplemental Disability & Neurocognitive Benefit Plan.” Effective April 1, 2014, the Plan was restated and renamed the “NFL Player Disability & Neurocognitive Benefit Plan.” The April 1, 2014 restatement provides that all total and permanent disability benefits relating to initial disability claims filed on and after January 1, 2015 will be paid out of the Plan, and that all line-of-duty disability benefits for periods on and after January 1, 2015 will be paid out of the Plan, other than certain line-of-duty disability benefits that will continue to be paid by the Pension Plan. The Pension Plan will continue to pay certain total and permanent disability benefits based on disability claims filed prior to January 1, 2015.

On March 15, 2020, the NFLMC and NFLPA approved a new CBA in which they agreed to (1) maintain the Plan until March 31, 2031, (2) pay from the Plan death benefits to certain beneficiaries following an eligible Player’s death, and (3) make certain other changes to the Plan (“2020 CBA”). Because of the COVID-19 pandemic, the NFLMC and NFLPA amended the 2020 CBA on August 3, 2020.

The Plan was amended and restated, effective April 1, 2020, to implement the 2020 CBA and its subsequent amendments, and to rename the Plan, the “NFL Player Disability, Neurocognitive & Death Benefit Plan.” Effective April 1, 2021, the Plan was renamed again as the “NFL Player Disability & Survivor Benefit Plan.” The key features of the Plan as of March 31, 2022 are summarized below.

The Plan is an employee welfare benefit plan within the meaning of Section 3(1) of the Employee Retirement Income Security Act of 1974, as amended.

NFL PLAYER DISABILITY & SURVIVOR BENEFIT PLAN

Notes to the Financial Statements
For the Years Ended March 31, 2022 and 2021

NOTE 1 DESCRIPTION OF THE PLAN *(continued)*Funding Policy

Contributions are made to the Trust which constitutes a Voluntary Employees' Beneficiary Association ("VEBA"). A VEBA is a welfare trust under Internal Revenue Code ("IRC") Section 501(c)(9). Pursuant to the 2011 CBA, NFL Member Clubs have agreed to contribute to the Trust, on at least a quarterly basis, amounts sufficient to pay estimated Plan benefits and expenses. The Trust holds the Plan's assets for the exclusive benefit of eligible participants.

Disability Benefits

Three types of disability benefits are provided for under the terms of the Plan: total and permanent disability benefits, line-of-duty disability benefits, and neurocognitive disability benefits. A Player is eligible to receive these benefits if he meets the applicable standards of Plan Sections 3.1, 3.2, 4.1, 5.1, or 6.1.

Death Benefits

The Plan pays death benefits to certain surviving family members of Players who die on and after April 1, 2020, and who otherwise meet the applicable standards of Article 7A of the Plan.

Plan Amendment or Termination

The Plan may only be amended or terminated by joint action of the NFLPA and the NFLMC while there is a CBA in effect. If no CBA is in effect, then the Plan may be amended by the Disability Board, and if no CBA has been in effect for more than one year, the Plan may be terminated by the Disability Board. No amendment or termination of the Plan may permit Trust assets to revert to, or be used or enjoyed by, an Employer, the League, or the NFLPA.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIESBasis of Accounting

The accounting records of the Plan are maintained on the modified cash basis of accounting. Consequently, contributions and interest income are recognized when collected and expenses are recognized when paid. No recognition is given to assets and liabilities, except for amounts which arise from the cash transactions of the Plan. Accordingly, the accompanying financial statements are not intended to present net assets and changes in net assets in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

NFL PLAYER DISABILITY & SURVIVOR BENEFIT PLAN

Notes to the Financial Statements
For the Years Ended March 31, 2022 and 2021

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Investment Valuation and Income Recognition

Investments are reported at fair value. Note 6 describes the Plan's fair value criteria.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

The Plan's expenses are paid by the Plan as provided by the Plan document. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

NOTE 3 INCOME TAX STATUS

On July 1, 1994, the Internal Revenue Service ("IRS") granted tax-exempt status to the Plan's trust under Section 501(c)(9) of the IRC. Accordingly, the trust's net investment income is exempt from income taxes. The Disability Board believes that the Plan's trust continues to be tax exempt under IRC Section 501(c)(9).

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS or Department of Labor. The Plan is subject to routine audits by taxing jurisdictions. The Plan administrator believes it is no longer subject to income tax examinations for years prior to March 31, 2019.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Disability Board is not aware of any course of action or series of events that have occurred that will adversely affect the Plan's tax-exempt status at March 31, 2022.

NOTE 4 PLAN AMENDMENTS

The Plan was amended and restated, effective April 1, 2021, to change the name of the Plan and make other minor edits. The Plan was further amended on November 9, 2021 and at various times in 2022 to revise the rules relating to claims processing, clarifying eligibility for neurocognitive disability benefits, and to make other minor edits. The restatement and subsequent amendments are not considered material.

NOTE 5 INVESTMENTS

The Trustee and custodian of the Plan's securities is The Bank of New York Mellon. The Plan's investments as of March 31, 2022 and 2021, respectively, were as follows:

	<u>2022</u>	<u>2021</u>
Registered investment companies	<u>\$ 66,281,680</u>	<u>\$ 67,875,300</u>

NOTE 6 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820-10-50-2, *Fair Value Measurements* (formerly FASB Statement No. 157), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10-50-2 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of March 31, 2022.

Treasury Prime Cash: Value at the closing price reported on the active market on which the securities are traded.

NFL PLAYER DISABILITY & SURVIVOR BENEFIT PLAN

Notes to the Financial Statements
For the Years Ended March 31, 2022 and 2021

NOTE 6 FAIR VALUE MEASUREMENTS *(continued)*

The method described above may produce a fair value calculation that may not indicate net realized value or reflect future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 31, 2022 and 2021:

Assets at Fair Value as of March 31, 2022			
	Level 1	Level 2	Total Fair Value
Registered investment companies	\$ 66,281,680	\$ -	\$ 66,281,680
Total	\$ 66,281,680	\$ -	\$ 66,281,680
Assets at Fair Value as of March 31, 2021			
	Level 1	Level 2	Total Fair Value
Registered investment companies	\$ 67,875,300	\$ -	\$ 67,875,300
Total	\$ 67,875,300	\$ -	\$ 67,875,300

Transfers Between Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

There were no transfers of assets between Level 1, 2, or 3 classifications for the years ended March 31, 2022 and 2021.

NOTE 7 RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Bank of New York Mellon is the Trustee of the Plan and provides investment custody services to the Plan. Fees paid to The Bank of New York Mellon for these services for the years ended March 31, 2022 and 2021 were \$67,790 and \$53,103, respectively.

As described in Note 2, the Plan paid certain other expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

During the Plan years ended March 31, 2022 and 2021, the Plan incurred certain administrative expenses paid by the Bert Bell/Pete Rozelle NFL Player Retirement Plan. For the Plan years ended March 31, 2022 and 2021, the amounts reimbursed were \$4,903,174 and \$5,254,641, respectively.

NFL PLAYER DISABILITY & SURVIVOR BENEFIT PLAN

Notes to the Financial Statements
For the Years Ended March 31, 2022 and 2021

NOTE 8 RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities that are exposed to certain risks and uncertainties, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, changes in value of investment securities could occur in the near term. The changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no reconciling differences; the net assets available for benefits per financial statement agree to net assets available for benefits per the Form 5500. Benefits paid to participants per the financial statement also agree to benefits paid to participants per the Form 5500.

NOTE 10 RECLASSIFICATIONS

Certain amounts in the prior period have been reclassified to conform to the current period financial statement presentation. These reclassifications have no effect on previously reported net assets available for benefits.

NOTE 11 SUBSEQUENT EVENTS

FASB ASC 855-10-50, *Subsequent Events*, requires entities to evaluate events and transactions that occur after the statement of financial position date but before the date the financial statements are available to be issued. ASC 855-10-50 requires entities to recognize in the financial statements the effect of all events or transactions that provide additional evidence of conditions that existed at the statement of financial position date, including the estimates inherent in the financial statement preparation process.

Subsequent events that provide evidence about conditions that arose after the statement of financial position date should be disclosed if the financial statements would otherwise be misleading. The Plan has evaluated subsequent events through the date the financial statements were available to be issued on December 1, 2022, and determined there were no material transactions to disclose.

INDEPENDENT AUDITOR'S REPORT

To The Disability Board of the
NFL Player Disability, Neurocognitive & Death Benefit Plan
Baltimore, Maryland

We have audited the accompanying financial statements of the NFL Player Disability, Neurocognitive & Death Benefit Plan (the "Plan"), which comprise the statements of net assets available for benefits (modified cash basis) as of March 31, 2021 and 2020, the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2.A; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Certified Public Accountants & Business Advisors

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan (modified cash basis) as of March 31, 2021 and 2020, and the changes in its net assets available for benefits (modified cash basis) for the years then ended, in accordance with the modified cash basis of accounting described in Note 2.A.

Basis of Accounting

We draw attention to Note 2.A of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules (modified cash basis) of administrative expenses, assets held for investment purposes, and reportable transactions, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to the Financial Statements
March 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

The following brief description of the NFL Player Disability, Neurocognitive & Death Benefit Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information. Capitalized terms have the meaning provided for in the Plan document.

A. General

The 1993 Collective Bargaining Agreement (“CBA”) between the National Football League Players Association (“NFLPA”) and the National Football League Management Council (“NFLMC”) provided for the establishment of the Plan. For certain eligible Players, the Plan currently provides disability benefits (described below), and death benefits to their eligible beneficiaries.

The Plan, formerly named the “NFL Player Supplemental Disability Plan,” initially provided only supplemental total and permanent disability benefits to Players who qualified for those benefits under the Bert Bell/Pete Rozelle NFL Player Retirement Plan (“Pension Plan”). The 2011 CBA continued and improved supplemental total and permanent disability benefits under the Plan, created a new benefit for Players suffering from neurocognitive impairments, and provided that the payment for certain additional disability benefits would be transitioned from the Pension Plan to the Plan.

Effective September 1, 2011, the Plan was amended to include the neurocognitive benefit provided for under the 2011 CBA and was renamed the “NFL Player Supplemental Disability & Neurocognitive Benefit Plan.” Effective April 1, 2014, the Plan was restated and renamed the “NFL Player Disability & Neurocognitive Benefit Plan.” The April 1, 2014 restatement provides that all total and permanent disability benefits relating to initial disability claims filed on and after January 1, 2015 will be paid out of the Plan, and that all line-of-duty disability benefits for periods on and after January 1, 2015 will be paid out of the Plan, other than certain line-of-duty disability benefits that will continue to be paid by the Pension Plan. The Pension Plan will continue to pay certain total and permanent disability benefits based on disability claims filed prior to January 1, 2015.

On March 15, 2020, the NFLMC and NFLPA approved a new CBA in which they agreed to (1) maintain the Plan until March 31, 2031, (2) pay from the Plan death benefits to certain beneficiaries following an eligible Player’s death, and (3) make certain other changes to the Plan (“2020 CBA”). Because of the COVID-19 pandemic, the NFLMC and NFLPA amended the 2020 CBA on August 3, 2020.

1. DESCRIPTION OF THE PLAN (Continued)

A. General (continued)

The Plan was amended and restated effective April 1, 2020 to implement the 2020 CBA and its subsequent amendments, and to rename the Plan, the “NFL Player Disability, Neurocognitive & Death Benefit Plan.” After the period covered by these Statements, the Plan was renamed again as the “NFL Player Disability & Survivor Benefit Plan.” The key features of the Plan as of March 31, 2021 are summarized below.

The Plan is an employee welfare benefit plan within the meaning of Section 3(1) of the Employee Retirement Income Security Act of 1974, as amended.

B. Funding Policy

Contributions are made to the Trust which constitutes a Voluntary Employees' Beneficiary Association (VEBA). A VEBA is a welfare trust under IRC Section 501(c)(9). Pursuant to the 2011 CBA, NFL Member Clubs have agreed to contribute to the Trust, on at least a quarterly basis, amounts sufficient to pay estimated Plan benefits and expenses. The Trust holds the Plan's assets for the exclusive benefit of eligible participants.

C. Disability Benefits

Three types of disability benefits are provided for under the terms of the Plan: total and permanent disability benefits, line-of-duty disability benefits, and neurocognitive disability benefits. A Player is eligible to receive these benefits if he meets the applicable standards of Plan Sections 3.1, 3.2, 4.1, 5.1, or 6.1.

D. Death Benefits

The Plan pays death benefits to certain surviving family members of Players who die on and after April 1, 2020, and who otherwise meet the applicable standards of Article 7A of the Plan.

E. Plan Amendment or Termination

The Plan may only be amended or terminated by joint action of the NFLPA and the NFLMC while there is a CBA in effect. If no CBA is in effect, then the Plan may be amended by the Disability Board, and if no CBA has been in effect for more than one year, the Plan may be terminated by the Disability Board. No amendment or termination of the Plan may permit Trust assets to revert to, or be used or enjoyed by, an Employer, the League, or the NFLPA.

Notes to the Financial Statements

2. SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accounting records of the Plan are maintained on the modified cash basis of accounting. Consequently, contributions and interest income are recognized when collected and expenses are recognized when paid. No recognition is given to assets and liabilities, except for amounts which arise from the cash transactions of the Plan. Accordingly, the accompanying financial statements are not intended to present net assets and changes in net assets in conformity with accounting principles generally accepted in the United States of America.

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Note 9 describes the Plan's fair value criteria.

D. Payment of Benefits

Benefit payments to participants are recorded upon distribution.

E. Administrative Expenses

The Plan's expenses are paid by the Plan as provided by the Plan document. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Notes to the Financial Statements

3. INCOME TAX STATUS

On July 1, 1994, the Internal Revenue Service (“IRS”) granted tax-exempt status to the Plan’s trust under Section 501(c)(9) of the Internal Revenue Code (“IRC”). Accordingly, the trust’s net investment income is exempt from income taxes. The Disability Board believes that the Plan’s trust continues to be tax-exempt under IRC Section 501(c)(9).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or Department of Labor. The Plan is subject to routine audits by taxing jurisdictions. The Plan administrator believes it is no longer subject to income tax examinations for years prior to March 31, 2018.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Disability Board is not aware of any course of action or series of events that have occurred that will adversely affect the Plan’s tax-exempt status at March 31, 2021.

4. PLAN AMENDMENTS

The Plan was amended and restated, effective April 1, 2020, to reflect new Plan terms and provisions provided for in the 2020 CBA and COVID-related amendments. The amendments provided for in this restatement are not considered material.

5. PLAN TERMINATION

In the event the Plan terminates, the net assets of the Plan will be allocated as prescribed by ERISA and its related regulations.

6. RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities that are exposed to certain risks and uncertainties such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, changes in value of investment securities could occur in the near term and these changes could materially affect the amounts reported in the statements of net assets available for benefits.

Notes to the Financial Statements

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Bank of New York Mellon is the Trustee of the Plan and provides investment custody services to the Plan. Fees paid to The Bank of New York Mellon for these services for the years ended March 31, 2021 and 2020 were \$53,103 and \$62,844, respectively.

As described in Note 2.E, the Plan paid certain other expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

During the Plan years ended March 31, 2021 and 2020, the Plan incurred certain administrative expenses paid by the Bert Bell/Pete Rozelle NFL Player Retirement Plan. For the Plan years ended March 31, 2021 and 2020, the amounts reimbursed were \$5,254,641 and \$8,208,480, respectively.

8. INVESTMENTS

The Trustee and custodian of the Plan's securities is The Bank of New York Mellon.

The Plan's investments as of March 31, 2021 and 2020, respectively, were as follows:

	<u>2021</u>	<u>2020</u>
Interest bearing cash	<u>\$ 67,875,300</u>	<u>\$ 56,019,689</u>

9. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Codification ASC 820-10-50-2, *Fair Value Measurements* (formerly FASB Statement No. 157), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10-50-2 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NFL PLAYER DISABILITY, NEUROCOGNITIVE & DEATH BENEFIT PLAN
Notes to the Financial Statements
March 31, 2021 and 2020

9. FAIR VALUE MEASUREMENTS (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of March 31, 2021.

Treasury Prime Cash: Value at the closing price reported on the active market on which the securities are traded.

The method described above may produce a fair value calculation that may not be indicative of net realized value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to the Financial Statements
March 31, 2021 and 2020

9. FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 31, 2021 and 2020:

Assets at Fair Value as of March 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Interest bearing cash	\$ 67,875,300	\$ -	\$ -	\$ 67,875,300

Assets at Fair Value as of March 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Interest bearing cash	\$ 56,019,689	\$ -	\$ -	\$ 56,019,689

Transfers Between Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

There were no transfers of assets between Level 1, 2, or 3 classifications for the years ended March 31, 2021 and 2020.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no reconciling differences; the net assets available for benefits per financial statement agree to net assets available for benefits per the Form 5500. Benefits paid to participants per the financial statement also agree to benefits paid to participants per the Form 5500.

NFL PLAYER DISABILITY, NEUROCOGNITIVE & DEATH BENEFIT PLAN
Notes to the Financial Statements
March 31, 2021 and 2020

11. RECLASSIFICATION

Certain amounts in the prior period have been reclassified to conform to the current period financial statement presentation. These reclassifications have no effect on previously reported net assets available for benefits.

12. SUBSEQUENT EVENTS

Financial Accounting Standards Board Codification ASC 855-10-50, Subsequent Events, requires entities to evaluate events and transactions that occur after the statement of financial position date but before the date the financial statements are available to be issued. ASC 855-10-50 requires entities to recognize in the financial statements the effect of all events or transactions that provide additional evidence of conditions that existed at the statement of financial position date, including the estimates inherent in the financial statement preparation process.

Subsequent events that provide evidence about conditions that arose after the statement of financial position date should be disclosed if the financial statements would otherwise be misleading. The Plan has evaluated subsequent events through the date the financial statements were available to be issued on November 1, 2021, and determined there were no material transactions to disclose.

INDEPENDENT AUDITOR'S REPORT

To The Disability Board of the
NFL Player Disability & Neurocognitive Benefit Plan
Baltimore, Maryland

We have audited the accompanying financial statements of the NFL Player Disability & Neurocognitive Benefit Plan (the "Plan"), which comprise the statements of net assets available for benefits (modified cash basis) as of March 31, 2020 and 2019, the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2.A; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Certified Public Accountants & Business Advisors

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan (modified cash basis) as of March 31, 2020 and 2019, and the changes in its net assets available for benefits (modified cash basis) for the years then ended, in accordance with the modified cash basis of accounting described in Note 2.A.

Basis of Accounting

We draw attention to Note 2.A of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules (modified cash basis) of administrative expenses, assets held for investment purposes, and reportable transactions, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NFL PLAYER DISABILITY & NEUROCOGNITIVE BENEFIT PLAN
Notes to the Financial Statements
March 31, 2020 and 2019

1. DESCRIPTION OF THE PLAN

The following brief description of the NFL Player Disability & Neurocognitive Benefit Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information. Capitalized terms have the meaning provided for in the Plan document.

A. General

The 1993 Collective Bargaining Agreement (“CBA”) between the National Football League Players Association (“NFLPA”) and the National Football League Management Council (“NFLMC”) provided for the establishment of the Plan, which currently provides total and permanent disability benefits, line-of-duty disability benefits, and neurocognitive disability benefits to certain eligible Players.

The Plan, formerly named the “NFL Player Supplemental Disability Plan,” initially provided only supplemental total and permanent disability benefits to Players who qualified for those benefits under the Bert Bell/Pete Rozelle NFL Player Retirement Plan (“Pension Plan”). The 2011 CBA continued and improved supplemental total and permanent disability benefits under the Plan, created a new benefit for Players suffering from neurocognitive impairments, and provided that the payment for certain additional disability benefits would be transitioned from the Pension Plan to the Plan.

Effective September 1, 2011, the Plan was amended to include the neurocognitive benefit provided for under the 2011 CBA and was renamed the “NFL Player Supplemental Disability & Neurocognitive Benefit Plan.” Effective April 1, 2014, the Plan was restated and its current name, the “NFL Player Disability & Neurocognitive Benefit Plan,” was adopted. The April 1, 2014 restatement provides that all total and permanent disability benefits relating to initial disability claims filed on and after January 1, 2015 will be paid out of the Plan, and that all line-of-duty disability benefits for periods on and after January 1, 2015 will be paid out of the Plan, other than certain line-of-duty disability benefits that will continue to be paid by the Pension Plan. The Pension Plan will continue to pay certain total and permanent disability benefits based on disability claims filed prior to January 1, 2015.

On March 15, 2020, the NFLMC and the NFLPA approved a new CBA in which they agreed to maintain this Plan and to make certain changes to the Plan, some of which became effective as of April 1, 2020, following the period covered by these financial statements.

1. DESCRIPTION OF THE PLAN (Continued)

A. General (continued)

The Plan is an employee welfare benefit plan within the meaning of Section 3(1) of the Employee Retirement Income Security Act of 1974, as amended. The key features of the Plan as of March 31, 2020 are summarized below.

B. Funding Policy

Contributions are made to the Trust which constitutes a Voluntary Employees' Beneficiary Association (VEBA). A VEBA is a welfare trust under IRC Section 501(c)(9). Pursuant to the 2011 CBA, NFL Member Clubs have agreed to contribute to the Trust, on at least a quarterly basis, amounts sufficient to pay estimated Plan benefits and expenses. The Trust holds the Plan's assets for the exclusive benefit of eligible participants.

C. Eligibility

A Player is eligible to receive benefits under this Plan if he meets the applicable standards of Plan Sections 3.1, 3.2, 4.1, 5.1, or 6.1.

D. Disability Benefits

Three types of disability benefits are provided for under the terms of the Plan: total and permanent disability benefits, line-of-duty disability benefits, and neurocognitive disability benefits. Eligible Players receive a monthly benefit in accordance with the terms of the Plan.

E. Plan Amendment or Termination

The Plan may only be amended or terminated by joint action of the NFLPA and the NFLMC while there is a CBA in effect. If no CBA is in effect, then the Plan may be amended by the Disability Board, and if no CBA has been in effect for more than one year, the Plan may be terminated by the Disability Board. No amendment or termination of the Plan may permit Trust assets to revert to, or be used or enjoyed by, an Employer, the League, or the NFLPA.

2. SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accounting records of the Plan are maintained on the modified cash basis of accounting. Consequently, contributions and interest income are recognized when collected and expenses are recognized when paid. No recognition is given to assets and liabilities, except for amounts which arise from the cash transactions of the Plan. Accordingly, the accompanying financial statements are not intended to present net assets and changes in net assets in conformity with accounting principles generally accepted in the United States of America.

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Note 9 describes the Plan's fair value criteria.

D. Payment of Benefits

Benefit payments to participants are recorded upon distribution.

E. Administrative Expenses

The Plan's expenses are paid by the Plan as provided by the Plan document. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Notes to the Financial Statements
March 31, 2020 and 2019

3. INCOME TAX STATUS

On July 1, 1994, the Internal Revenue Service (“IRS”) granted tax-exempt status to the Plan’s trust under Section 501(c)(9) of the Internal Revenue Code (“IRC”). Accordingly, the trust’s net investment income is exempt from income taxes. The Disability Board believes that the Plan’s trust continues to be tax-exempt under IRC Section 501(c)(9).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or Department of Labor. The Plan is subject to routine audits by taxing jurisdictions. The Plan administrator believes it is no longer subject to income tax examinations for years prior to March 31, 2017.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Disability Board is not aware of any course of action or series of events that have occurred that will adversely affect the Plan’s tax-exempt status at March 31, 2020.

4. PLAN AMENDMENTS

The Plan was amended and restated during the period under audit. Changes included: (a) extending the deadline for the submission of applications for neurocognitive disability benefits to March 31, 2021; (b) revising claims administration rules and procedures; (c) revising the standard and eligibility for mild and moderate neurocognitive disability benefits; and (d) revising the standard and eligibility of line-of-duty disability benefits.

5. PLAN TERMINATION

In the event the Plan terminates, the net assets of the Plan will be allocated as prescribed by ERISA and its related regulations.

6. RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities that are exposed to certain risks and uncertainties such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, changes in value of investment securities could occur in the near term and these changes could materially affect the amounts reported in the statements of net assets available for benefits.

Notes to the Financial Statements

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Bank of New York Mellon is the Trustee of the Plan and provides investment custody services to the Plan. Fees paid to The Bank of New York Mellon for these services for the years ended March 31, 2020 and 2019 were \$62,844 and \$59,146, respectively.

As described in Note 2.E, the Plan paid certain other expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

During the Plan years ended March 31, 2020 and 2019, the Plan incurred certain administrative expenses paid by the Bert Bell/Pete Rozelle NFL Player Retirement Plan. For the Plan years ended March 31, 2020 and 2019, the amounts reimbursed were \$8,208,480 and \$5,865,808, respectively.

8. INVESTMENTS

The Trustee and custodian of the Plan's securities is The Bank of New York Mellon.

The investments that represent more than 5% of the Plan's net assets as of March 31, 2020 and 2019, respectively are as follows:

	<u>2020</u>	<u>2019</u>
Interest bearing cash	<u>\$ 56,019,689</u>	<u>\$ 48,572,988</u>

9. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Codification ASC 820-10-50-2, *Fair Value Measurements* (formerly FASB Statement No. 157), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10-50-2 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NFL PLAYER DISABILITY & NEUROCOGNITIVE BENEFIT PLAN
Notes to the Financial Statements
March 31, 2020 and 2019

9. FAIR VALUE MEASUREMENTS (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of March 31, 2020.

Treasury Prime Cash: Value at the closing price reported on the active market on which the securities are traded.

The method described above may produce a fair value calculation that may not be indicative of net realized value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

9. FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 31, 2020 and 2019:

Assets at Fair Value as of March 31, 2020:

Transfers Between Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

There were no transfers of assets between Level 1, 2, or 3 classifications for the years ended March 31, 2020 and 2019.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no reconciling differences; the net assets available for benefits per financial statement agree to net assets available for benefits per the Form 5500. Benefits paid to participants per the financial statement also agree to benefits paid to participants per the Form 5500.

Notes to the Financial Statements
March 31, 2020 and 2019

11. RECLASSIFICATION

Certain amounts in the prior period have been reclassified to conform to the current period financial statement presentation. These reclassifications have no effect on previously reported net assets available for benefits.

12. SUBSEQUENT EVENTS

Financial Accounting Standards Board Codification ASC 855-10-50, Subsequent Events, requires entities to evaluate events and transactions that occur after the statement of financial position date but before the date the financial statements are available to be issued. ASC 855-10-50 requires entities to recognize in the financial statements the effect of all events or transactions that provide additional evidence of conditions that existed at the statement of financial position date, including the estimates inherent in the financial statement preparation process.

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S. COVID-19 has not had any effect on the ongoing operations of the Plan, except that the Plan's neutral physician examination program was paused temporarily due to considerations of Player safety and travel restrictions.

Subsequent events that provide evidence about conditions that arose after the statement of financial position date should be disclosed if the financial statements would otherwise be misleading. The Plan has evaluated subsequent events through the date the financial statements were available to be issued on October 9, 2020, and determined there were no material transactions to disclose.

INDEPENDENT AUDITOR'S REPORT

To The Disability Board of the
NFL Player Disability & Neurocognitive Benefit Plan
Baltimore, Maryland

We have audited the accompanying financial statements of the NFL Player Disability & Neurocognitive Benefit Plan (the "Plan"), which comprise the statements of net assets available for benefits (modified cash basis) as of March 31, 2019 and 2018, the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2.A; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Certified Public Accountants & Business Advisors

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan (modified cash basis) as of March 31, 2019 and 2018, and the changes in its net assets available for benefits (modified cash basis) for the years then ended, in accordance with the modified cash basis of accounting described in Note 2.A.

Basis of Accounting

We draw attention to Note 2.A of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules (modified cash basis) of investment and administrative expenses, assets held for investment purposes, and reportable transactions, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NFL PLAYER DISABILITY & NEUROCOGNITIVE BENEFIT PLAN
Notes to the Financial Statements
March 31, 2019 and 2018

1. DESCRIPTION OF THE PLAN

The following brief description of the NFL Player Disability & Neurocognitive Benefit Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information. Capitalized terms have the meaning provided for in the Plan document.

A. General

The 1993 Collective Bargaining Agreement (“CBA”) between the National Football League Players Association (“NFLPA”) and the National Football League Management Council (“NFLMC”) provided for the establishment of the Plan, which currently provides total and permanent disability benefits, line-of-duty disability benefits, and neurocognitive disability benefits to certain eligible Players.

The Plan, formerly named the “NFL Player Supplemental Disability Plan,” initially provided only supplemental total and permanent disability benefits to Players who qualified for those benefits under the Bert Bell/Pete Rozelle NFL Player Retirement Plan (“Pension Plan”). The 2011 CBA continued and improved supplemental total and permanent disability benefits under the Plan, created a new benefit for Players suffering from neurocognitive impairments, and provided that the payment for certain additional disability benefits would be transitioned from the Pension Plan to the Plan.

Effective September 1, 2011, the Plan was amended to include the neurocognitive benefit provided for under the 2011 CBA and was renamed the “NFL Player Supplemental Disability & Neurocognitive Benefit Plan.” Effective April 1, 2014, the Plan was restated and its current name, the “NFL Player Disability & Neurocognitive Benefit Plan,” was adopted. The April 1, 2014 restatement provides that all total and permanent disability benefits relating to initial disability claims filed on and after January 1, 2015 will be paid out of the Plan, and that all line-of-duty disability benefits for periods on and after January 1, 2015 will be paid out of the Plan, other than certain line-of-duty disability benefits that will continue to be paid by the Pension Plan. The Pension Plan will continue to pay certain total and permanent disability benefits based on disability claims filed prior to January 1, 2015.

The Plan is an employee welfare benefit plan within the meaning of Section 3(1) of the Employee Retirement Income Security Act of 1974, as amended. The current key features of the Plan are summarized below.

NFL PLAYER DISABILITY & NEUROCOGNITIVE BENEFIT PLAN
Notes to the Financial Statements
March 31, 2019 and 2018

1. DESCRIPTION OF THE PLAN (Continued)

B. Funding Policy

Contributions are made to the Trust which constitutes a Voluntary Employees' Beneficiary Association (VEBA). A VEBA is a welfare trust under IRC Section 501(c)(9). Pursuant to the 2011 CBA, NFL Member Clubs have agreed to contribute to the Trust, on at least a quarterly basis, amounts sufficient to pay estimated Plan benefits and expenses. The Trust holds the Plan's assets for the exclusive benefit of eligible participants.

C. Eligibility

A Player is eligible to receive benefits under this Plan if he meets the applicable standards of Plan Sections 3.1, 3.2, 4.1, 5.1, or 6.1.

D. Disability Benefits

Three types of disability benefits are provided for under the terms of the Plan: total and permanent disability benefits, line-of-duty disability benefits, and neurocognitive disability benefits. Eligible Players receive a monthly benefit in accordance with the terms of the Plan.

E. Plan Amendment or Termination

The Plan may only be amended or terminated by joint action of the NFLPA and the NFLMC while there is a collective bargaining agreement in effect. If no collective bargaining agreement is in effect, then the Plan may be amended by the Disability Board, and if no collective bargaining agreement has been in effect for more than one year, the Plan may be terminated by the Disability Board. No amendment or termination of the Plan may permit Trust assets to revert to, or be used or enjoyed by, an Employer, the League, or the NFLPA.

2. SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accounting records of the Plan are maintained on the modified cash basis of accounting. Consequently, contributions and interest income are recognized when collected and expenses are recognized when paid. No recognition is given to assets and liabilities, except for amounts which arise from the cash transactions of the Plan. Accordingly, the accompanying financial statements are not intended to present net assets and changes in net assets in conformity with accounting principles generally accepted in the United States of America.

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Note 9 describes the Plan's fair value criteria.

D. Payment of Benefits

Benefit payments to participants are recorded upon distribution.

E. Administrative Expenses

The Plan's expenses are paid by the Plan as provided by the Plan document. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

3. INCOME TAX STATUS

On July 1, 1994, the Internal Revenue Service ("IRS") granted tax-exempt status to the Plan's trust under Section 501(c)(9) of the Internal Revenue Code ("IRC"). Accordingly, the trust's net investment income is exempt from income taxes. The Disability Board believes that the Plan's trust continues to be tax-exempt under IRC Section 501(c)(9).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or Department of Labor. The Plan is subject to routine audits by taxing jurisdictions. The Plan administrator believes it is no longer subject to income tax examinations for years prior to March 31, 2016.

3. INCOME TAX STATUS (Continued)

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2019, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Disability Board is not aware of any course of action or series of events that have occurred that will adversely affect the Plan's tax-exempt status at March 31, 2019.

4. PLAN AMENDMENTS

The Plan was amended and restated during the period under audit. Changes included: (a) extending the deadline for the submission of applications for neurocognitive disability benefits to March 31, 2021; (b) revising claims administration rules and procedures; and (c) revising the standard for mild and moderate neurocognitive disability benefits.

5. PLAN TERMINATION

In the event the Plan terminates, the net assets of the Plan will be allocated as prescribed by ERISA and its related regulations.

6. RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities that are exposed to certain risks and uncertainties such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, changes in value of investment securities could occur in the near term and these changes could materially affect the amounts reported in the statements of net assets available for benefits.

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Bank of New York Mellon is the Trustee of the Plan and provides investment custody services to the Plan. Fees paid to The Bank of New York Mellon for these services for the years ended March 31, 2019 and 2018 were \$59,146 and \$54,964, respectively.

As described in Note 2.E, the Plan paid certain other expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

During the Plan years ended March 31, 2019 and 2018, the Plan incurred certain administrative expenses paid by the Bert Bell/Pete Rozelle NFL Player Retirement Plan. For the Plan years ended March 31, 2019 and 2018, the amounts reimbursed were \$5,865,808 and \$5,829,097, respectively.

8. INVESTMENTS

The Trustee and custodian of the Plan's securities is The Bank of New York Mellon.

The investments that represent more than 5% of the Plan's net assets as of March 31, 2019 and 2018, respectively are as follows:

	<u>2019</u>	<u>2018</u>
Interest bearing cash	<u>\$ 48,590,049</u>	<u>\$ 40,733,479</u>

9. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Codification ASC 820-10-50-2, *Fair Value Measurements* (formerly FASB Statement No. 157), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10-50-2 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes to the Financial Statements

9. FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of March 31, 2019.

Treasury Prime Cash: Value at the closing price reported on the active market on which the securities are traded.

The method described above may produce a fair value calculation that may not be indicative of net realized value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 31, 2019 and 2018:

Assets at Fair Value as of March 31, 2019:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Interest bearing cash	\$ 48,590,049	\$ -	\$ -	\$ 48,590,049

Assets at Fair Value as of March 31, 2018:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>

9. FAIR VALUE MEASUREMENTS (Continued)

Transfers Between Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

There were no transfers of assets between Level 1, 2, or 3 classifications for the years ended March 31, 2019 and 2018.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no reconciling differences; the net assets available for benefits per financial statement agree to net assets available for benefits per the Form 5500. Benefits paid to participants per the financial statement also agree to benefits paid to participants per the Form 5500.

11. SUBSEQUENT EVENTS

Financial Accounting Standards Board Codification ASC 855-10-50, *Subsequent Events*, requires entities to evaluate events and transactions that occur after the statement of financial position date but before the date the financial statements are available to be issued. ASC 855-10-50 requires entities to recognize in the financial statements the effect of all events or transactions that provide additional evidence of conditions that existed at the statement of financial position date, including the estimates inherent in the financial statement preparation process.

Subsequent events that provide evidence about conditions that arose after the statement of financial position date should be disclosed if the financial statements would otherwise be misleading. The Plan has evaluated subsequent events through the date the financial statements were available to be issued on October 11, 2019 and determined there were no material transactions which need to be disclosed.

INDEPENDENT AUDITOR'S REPORT

To The Disability Board of the
NFL Player Disability & Neurocognitive Benefit Plan
Baltimore, Maryland

We have audited the accompanying financial statements of the NFL Player Disability & Neurocognitive Benefit Plan ("Plan"), which comprise the statements of net assets available for benefits (modified cash basis) as of March 31, 2018 and 2017, the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2.A; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Certified Public Accountants & Business Advisors

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan (modified cash basis) as of March 31, 2018 and 2017, and the changes in its net assets available for benefits (modified cash basis) for the years then ended, in accordance with the modified cash basis of accounting described in Note 2.A.

Basis of Accounting

We draw attention to Note 2.A of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules (modified cash basis) of investment and administrative expenses, assets held for investment purposes and reportable transactions, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NFL PLAYER DISABILITY & NEUROCOGNITIVE BENEFIT PLAN
Notes to the Financial Statements
March 31, 2018 and 2017

1. DESCRIPTION OF THE PLAN

The following brief description of the NFL Player Disability & Neurocognitive Benefit Plan (“Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information. Capitalized terms have the meaning provided for in the Plan document.

A. General

The 1993 Collective Bargaining Agreement (“CBA”) between the National Football League Players Association (“NFLPA”) and the National Football League Management Council (“NFLMC”) provided for the establishment of the Plan, which currently provides total and permanent disability benefits, line-of-duty disability benefits, and neurocognitive disability benefits to certain eligible Players.

The Plan, formerly named the “NFL Player Supplemental Disability Plan,” initially provided only supplemental total and permanent disability benefits to Players who qualified for those benefits under the Bert Bell/Pete Rozelle NFL Player Retirement Plan (“Pension Plan”). The 2011 CBA continued and improved supplemental total and permanent disability benefits under the Plan, created a new benefit for Players suffering from neurocognitive impairments, and provided that the payment for certain additional disability benefits would be transitioned from the Pension Plan to the Plan.

Effective September 1, 2011, the Plan was amended to include the neurocognitive benefit provided for under the 2011 CBA and was renamed the “NFL Player Supplemental Disability & Neurocognitive Benefit Plan.” Effective April 1, 2014, the Plan was restated and its current name, the “NFL Player Disability & Neurocognitive Benefit Plan,” was adopted. The April 1, 2014 restatement provides that all total and permanent disability benefits relating to initial disability claims filed on and after January 1, 2015 will be paid out of the Plan, and that all line-of-duty disability benefits for periods on and after January 1, 2015 will be paid out of the Plan, other than certain line-of-duty disability benefits that will continue to be paid by the Pension Plan. The Pension Plan will continue to pay certain total and permanent disability benefits based on disability claims filed prior to January 1, 2015.

The Plan is an employee welfare benefit plan within the meaning of Section 3(1) of the Employee Retirement Income Security Act of 1974, as amended.

Notes to the Financial Statements

1. DESCRIPTION OF THE PLAN (Continued)

B. Funding Policy

Contributions are made to the Trust which constitutes a Voluntary Employees' Beneficiary Association (VEBA). A VEBA is a welfare trust under IRC Section 501(c)(9). Pursuant to the 2011 CBA, NFL Member Clubs have agreed to contribute to the Trust, on at least a quarterly basis, amounts sufficient to pay estimated Plan benefits and expenses. The Trust holds the Plan's assets for the exclusive benefit of eligible participants.

C. Eligibility

A Player is eligible to receive benefits under this Plan if he meets the applicable standards of Plan Sections 3.1, 4.1, 5.1, or 6.1.

D. Disability Benefits

Three types of disability benefits are provided for under the terms of the Plan: total and permanent disability benefits, line-of-duty disability benefits, and neurocognitive disability benefits. Eligible Players receive a monthly benefit in accordance with the terms of the Plan.

E. Plan Amendment or Termination

The Plan may only be amended or terminated by joint action of the NFLPA and the NFLMC while there is a collective bargaining agreement in effect. If no collective bargaining agreement is in effect, then the Plan may be amended by the Disability Board, and if no collective bargaining agreement has been in effect for more than one year, the Plan may be terminated by the Disability Board. No amendment or termination of the Plan may permit Trust assets to revert to, or be used or enjoyed by, an Employer, the League, or the NFLPA.

2. SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accounting records of the Plan are maintained on the modified cash basis of accounting. Consequently, contributions and interest income are recognized when collected and expenses are recognized when paid. No recognition is given to assets and liabilities, except for amounts which arise from the cash transactions of the Plan. Accordingly, the accompanying financial statements are not intended to present net assets and changes in net assets in conformity with accounting principles generally accepted in the United States of America.

Notes to the Financial Statements

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Note 9 describes the Plan's fair value criteria.

D. Payment of Benefits

Benefit payments to participants are recorded upon distribution.

E. Administrative Expenses

The Plan's expenses are paid by the Plan as provided by the Plan document. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

3. INCOME TAX STATUS

On July 1, 1994, the Internal Revenue Service ("IRS") granted tax-exempt status to the Plan's trust under Section 501(c)(9) of the Internal Revenue Code ("IRC"). Accordingly, the trust's net investment income is exempt from income taxes. The Disability Board believes that the Plan's trust continues to be tax-exempt under IRC Section 501(c)(9).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or Department of Labor. The Plan is subject to routine audits by taxing jurisdictions. The Plan administrator believes it is no longer subject to income tax examinations for years prior to March 31, 2015.

March 31, 2018 and 2017

3. INCOME TAX STATUS (Continued)

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Disability Board is not aware of any course of action or series of events that have occurred that will adversely affect the Plan's tax-exempt status at March 31, 2018.

4. PLAN AMENDMENTS

The Plan was amended and restated during the period under audit. Changes included: (a) extending the deadline for the submission of applications for neurocognitive disability benefits to December 31, 2018; (b) revising claims administration rules and procedures; and (c) revising the standard for mild and moderate neurocognitive disability benefits.

5. PLAN TERMINATION

In the event the Plan terminates, the net assets of the Plan will be allocated as prescribed by ERISA and its related regulations.

6. RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities that are exposed to certain risks such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, changes in value of investment securities could occur in the near term and these changes could materially affect the amounts reported in the statement of net assets available for benefits.

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Bank of New York Mellon is the Trustee of the Plan and provides investment custody services to the Plan. Fees paid to The Bank of New York Mellon for these services for the years ended March 31, 2018 and 2017 were \$54,964 and \$45,353, respectively. As described in Note 2.E, the Plan paid certain other expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

During the Plan years ended March 31, 2018 and 2017, the Plan incurred certain administrative expenses paid by the Bert Bell/Pete Rozelle NFL Player Retirement Plan. For the Plan years ended March 31, 2018 and 2017, the amount reimbursed was \$5,829,097 and \$5,021,318, respectively.

8. INVESTMENTS

The Trustee and custodian of the Plan's securities is The Bank of New York Mellon.

The investments that represent more than 5% of the Plan's net assets as of March 31, 2018 and 2017, respectively are as follows:

	<u>2018</u>	<u>2017</u>
Interest bearing cash	<u>\$ 40,733,479</u>	<u>\$ 38,931,719</u>

9. FAIR VALUE MEASUREMENTS

Accounting Standards Codification ASC 820-10-50-2, formerly Financial Accounting Standards Board (FASB) Statement No. 157, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10-50-2 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

9. FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of March 31, 2018.

Treasury Prime Cash: Value at the closing price reported on the active market on which the securities are traded.

The method described above may produce a fair value calculation that may not be indicative of net realized value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within fair value hierarchy, the Plan's assets at fair value as of March 31, 2018 and 2017:

Assets at Fair Value as of March 31, 2018:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Interest bearing cash	\$ 40,733,479	\$ -	\$ -	\$ 40,733,479

Assets at Fair Value as of March 31, 2017:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Interest bearing cash	\$ 38,931,719	\$ -	\$ -	\$ 38,931,719

9. FAIR VALUE MEASUREMENTS (Continued)

Transfers between Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

There were no transfers of assets between Level 1, 2, or 3 classifications for the years ended March 31, 2018 and March 31, 2017.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no reconciling differences, the net assets available for benefits per financial statement agree to net assets available for benefits per the Form 5500. Benefits paid to participants per the financial statement also agree to benefits paid to participants per the Form 5500.

11. SUBSEQUENT EVENTS

FASB Accounting Standards Codification ASC 855-10-50, *Subsequent Events*, requires organizations to evaluate events and transactions that occur after the statement of financial position date but before the date the financial statements are available to be issued. ASC 855-10-50 requires entities to recognize in the financial statements the effect of all events or transactions that provide additional evidence of conditions that existed at the statement of financial position date, including the estimates inherent in the financial statement preparation process. Subsequent events that provide evidence about conditions that arose after the statement of financial position date should be disclosed if the financial statements would otherwise be misleading. Plan management has evaluated subsequent events through the date the financial statements were available to be issued on October 12, 2018 and determined there were no material transactions which need to be disclosed.

INDEPENDENT AUDITOR'S REPORT

To The Disability Board of the
NFL Player Disability & Neurocognitive Benefit Plan
Baltimore, Maryland

We have audited the accompanying financial statements of the NFL Player Disability & Neurocognitive Benefit Plan ("Plan"), which comprise the statements of net assets available for benefits (modified cash basis) as of March 31, 2017 and 2016, the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2.A; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Certified Public Accountants & Business Advisors

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan (modified cash basis) as of March 31, 2017 and 2016 and the changes in net assets available for benefits (modified cash basis) for the years then ended, in accordance with the modified cash basis of accounting described in Note 2.A.

Basis of Accounting

We draw attention to Note 2.A of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules (modified cash basis) of investment and administrative expenses, assets held for investment purposes and reportable transactions, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NFL PLAYER DISABILITY & NEUROCOGNITIVE BENEFIT PLAN
Notes to the Financial Statements
March 31, 2017 and 2016

1. DESCRIPTION OF THE PLAN

The following brief description of the NFL Player Disability & Neurocognitive Benefit Plan (“Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information. Capitalized terms have the meaning provided for in the Plan document.

A. General

The 1993 Collective Bargaining Agreement (“CBA”) between the National Football League Players Association (“NFLPA”) and the National Football League Management Council (“NFLMC”) provided for the establishment of the Plan, which currently provides total and permanent disability benefits, line-of-duty disability benefits, and neurocognitive disability benefits to certain eligible Players.

The Plan, formerly named the “NFL Player Supplemental Disability Plan,” initially provided only supplemental total and permanent disability benefits to Players who qualified for those benefits under the Bert Bell/Pete Rozelle NFL Player Retirement Plan (“Pension Plan”). The 2011 CBA continued and improved supplemental total and permanent disability benefits under the Plan, created a new benefit for Players suffering from neurocognitive impairments, and provided that the payment for certain additional disability benefits would be transitioned from the Pension Plan to the Plan.

Effective September 1, 2011, the Plan was amended to include the neurocognitive benefit provided for under the 2011 CBA and was renamed the “NFL Player Supplemental Disability & Neurocognitive Benefit Plan.” Effective April 1, 2014, the Plan was restated and its current name, the “NFL Player Disability & Neurocognitive Benefit Plan,” was adopted. The April 1, 2014 restatement provides that all total and permanent disability benefits relating to initial disability claims filed on and after January 1, 2015 will be paid out of the Plan, and that all line-of-duty disability benefits for periods on and after January 1, 2015 will be paid out of the Plan, other than certain line-of-duty disability benefits that will continue to be paid by the Pension Plan. The Pension Plan will continue to pay certain total and permanent disability benefits based on disability claims filed prior to January 1, 2015.

The Plan is an employee welfare benefit plan within the meaning of Section 3(1) of the Employee Retirement Income Security Act of 1974, as amended.

Notes to the Financial Statements

1. DESCRIPTION OF THE PLAN (Continued)

B. Funding Policy

Contributions are made to the Trust which constitutes a Voluntary Employees' Beneficiary Association (VEBA). A VEBA is a welfare trust under IRC Section 501(c)(9). Pursuant to the 2011 CBA, NFL Member Clubs have agreed to contribute to the Trust, on at least a quarterly basis, amounts sufficient to pay estimated Plan benefits and expenses. The Trust holds the Plan's assets for the exclusive benefit of eligible participants.

C. Eligibility

A Player is eligible to receive benefits under this Plan if he meets the applicable standards of Plan Sections 3.1, 4.1, 5.1, or 6.1.

D. Disability Benefits

Three types of disability benefits are provided for under the terms of the Plan: total and permanent disability benefits, line-of-duty disability benefits, and neurocognitive disability benefits. Eligible Players receive a monthly benefit in accordance with the terms of the Plan.

E. Plan Amendment or Termination

The Plan may only be amended or terminated by joint action of the NFLPA and the NFLMC while there is a collective bargaining agreement in effect. If no collective bargaining agreement is in effect, then the Plan may be amended by the Disability Board, and if no collective bargaining agreement has been in effect for more than one year, the Plan may be terminated by the Disability Board. No amendment or termination of the Plan may permit Trust assets to revert to, or be used or enjoyed by, an Employer, the League, or the NFLPA.

2. SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accounting records of the Plan are maintained on the modified cash basis of accounting. Consequently, contributions and interest income are recognized when collected and expenses are recognized when paid. No recognition is given to assets and liabilities, except for amounts which arise from the cash transactions of the Plan. Accordingly, the accompanying financial statements are not intended to present net assets and changes in net assets in conformity with accounting principles generally accepted in the United States of America.

Notes to the Financial Statements

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Note 9 describes the Plan's fair value criteria.

D. Payment of Benefits

Benefit payments to participants are recorded upon distribution.

E. Administrative Expenses

The Plan's expenses are paid by the Plan as provided by the Plan document. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

3. INCOME TAX STATUS

On July 1, 1994, the Internal Revenue Service ("IRS") granted tax-exempt status to the Plan's trust under Section 501(c)(9) of the Internal Revenue Code ("IRC"). Accordingly, the trust's net investment income is exempt from income taxes. The Disability Board believes that the Plan's trust continues to be tax-exempt under IRC Section 501(c)(9).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or Department of Labor. The Plan is subject to routine audits by taxing jurisdictions. The Plan administrator believes it is no longer subject to income tax examinations for years prior to March 31, 2014.

Notes to the Financial Statements
March 31, 2017 and 2016

3. INCOME TAX STATUS (Continued)

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Disability Board is not aware of any course of action or series of events that have occurred that will adversely affect the Plan's tax-exempt status at March 31, 2017.

4. PLAN AMENDMENTS

The Plan was amended during the period under audit. Changes included: (a) extending the deadline for the submission of applications for neurocognitive disability benefits to December 31, 2018; (b) revising claims administration procedures; and (c) revising the standard for mild and moderate neurocognitive disability benefits.

5. PLAN TERMINATION

In the event the Plan terminates, the net assets of the Plan will be allocated as prescribed by ERISA and its related regulations.

6. RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities that are exposed to certain risks such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, changes in value of investment securities could occur in the near term and these changes could materially affect the amounts reported in the statement of net assets available for benefits.

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Bank of New York Mellon is the Trustee of the Plan and provides investment custody services to the Plan. Fees paid to The Bank of New York Mellon for these services for the years ended March 31, 2017 and 2016 were \$45,353 and \$40,561, respectively. As described in Note 2.E, the Plan paid certain other expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

During the Plan year ended March 31, 2017, the Plan incurred certain administrative expenses paid by the Bert Bell/Pete Rozelle NFL Player Retirement Plan. For the Plan years ended March 31, 2017 and 2016, the amount reimbursed was \$5,021,318 and \$985,955, respectively.

8. INVESTMENTS

The Trustee and custodian of the Plan's securities is The Bank of New York Mellon.

The investments that represent more than 5% of the Plan's net assets as of March 31, 2017 and 2016, respectively are as follows:

	<u>2017</u>	<u>2016</u>
Interest bearing cash	<u>\$ 38,931,719</u>	<u>\$ 29,766,776</u>

9. FAIR VALUE MEASUREMENTS

Accounting Standards Codification ASC 820-10-50-2, formerly Financial Accounting Standards Board (FASB) Statement No. 157, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10-50-2 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

9. FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of March 31, 2017.

Treasury Prime Cash: Value at the closing price reported on the active market on which the securities are traded.

The method described above may produce a fair value calculation that may not be indicative of net realized value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within fair value hierarchy, the Plan's assets at fair value as of March 31, 2017 and 2016:

Assets at Fair Value as of March 31, 2017:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Interest bearing cash	\$ 38,931,719	\$ -	\$ -	\$ 38,931,719

Assets at Fair Value as of March 31, 2016:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Interest bearing cash	\$ 29,766,776	\$ -	\$ -	\$ 29,766,776

9. FAIR VALUE MEASUREMENTS (Continued)

Transfers between Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

There were no transfers of assets between Level 1, 2, or 3 classifications for the years ended March 31, 2017 and March 31, 2016.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There were no reconciling differences, the net assets available for benefits per financial statement agree to net assets available for benefits per the Form 5500. Benefits paid to participants per the financial statement also agree to benefits paid to participants per the Form 5500.

11. SUBSEQUENT EVENTS

FASB Accounting Standards Codification ASC 855-10-50, *Subsequent Events*, requires organizations to evaluate events and transactions that occur after the statement of financial position date but before the date the financial statements are available to be issued. ASC 855-10-50 requires entities to recognize in the financial statements the effect of all events or transactions that provide additional evidence of conditions that existed at the statement of financial position date, including the estimates inherent in the financial statement preparation process. Subsequent events that provide evidence about conditions that arose after the statement of financial position date should be disclosed if the financial statements would otherwise be misleading. Plan management has evaluated subsequent events through the date the financial statements were available to be issued on October 27, 2017 and determined there were no material transactions which need to be disclosed.
